This is a web-based calendar of mostly British motor sports events for the 2018 Northeast driving season. We have included most major car marques and their websites. We suggest that you explore many other events that are listed on each website. If we have missed listing your event, please let us know so we may include in future calendars! Concours shows, overseas events, local meetings, regional events, national marque shows, rallies, cars and coffee events, vintage races, hill climbs, fall tours, and even Sunday drives, are also listed. We make our best attempt to provide a thorough and accurate listing of relevant events. Event dates, locations and other detail changes may not be reflected here. Please always double check the organizers website as you make your travel plans.
